

2021 COMMUNITY SPELLING BEE - Postponed

Due to the rise in delta variant cases, concern about breakthrough cases and general nervousness about attending indoor events, the Board of Trustees has made the decision to postpone the Community Spelling Bee, scheduled for October 1.

While this was a hard call to make, we want to do what's best for our community. We will wait to reschedule the Bee at a time when indoor events will be safe and comfortable for everyone. Thanks for supporting The Free Library, and we're so very grateful for your understanding!

❖ We want to thank:

- Our wonderful sponsors: McCaffrey's Food Market, First National Bank & Trust Company, Addison Wolfe Real Estate, Penn Community Bank and Kiki Vodka
- Our bee-dazzling Bee teams, both new and returning
- Our alphabet letter buyers
- Local businesses that purchased program ads
- New Hope-Solebury School District
- And our volunteers & library staff

All participants, donors and volunteers should have been contacted about the postponement. If not, teams can reach out to CKWhitney@comcast.net; sponsors, volunteers and alphabet sponsors can contact flnhsbee@gmail.com; and program ad buyers should email nhsbee2@gmail.com. Thank you!
